

LiveCaddie Privacy Policy

Last updated August 8, 2018

Mapping Industries (“we” or “us” or “our”) respects the privacy of our users (“user” or “you”). This Privacy Policy explains how we collect, use, disclose, and safeguard your information when you visit our mobile application (LiveCaddie). Please read this Privacy Policy carefully. BY USING THE APPLICATION, YOU AGREE TO THESE TERMS.

We reserve the right to make changes to this Privacy Policy at any time and for any reason. We will alert you to any changes by updating the “Last updated” date of this Privacy Policy, and asking you to accept the updated terms, the next time you access the application.

This Privacy Policy does not apply to the third-party online/mobile store from which you install the Application or make payments. We are not responsible for any of the data collected by any such third party.

COLLECTION OF YOUR INFORMATION

We may collect information about you in a variety of ways. The information we may collect via the Application depends on the content and materials you use, and includes:

Personal Data

When you register, you provide your name, and optionally your country and/or “home golf club”. In countries with a “Golf ID”, you also provide that ID. (Currently, only Sweden.) This information is publicly visible, so that other users can search for you when creating a round of golf.

Other information you enter during registration, is only visible to you. This is stored on a secured data server, only released when you enter the password you create for your account. Certain trusted employees of Mapping Industries could access that information, but will only do so as necessary for routine maintenance of the data server, or in response to a request by you.

When you play a round of golf, you decide whether that round is visible to everyone, only your friends, or only you.

Derivative Data

Information our servers automatically collect when you access the Application, such as your native actions that are integral to the Application, including liking, re-blogging, or replying to a post, as well as other interactions with the Application and other users via server log files.

Facebook Permissions

The Application may access your [Facebook](#) basic account information, but only after asking and receiving your permission to do so, including your name, email, gender, birthday, current city, and profile picture URL, as well as other information that you choose to make public. We may also request access to other permissions related to your account, such as friends, checkins, and likes, and you may choose to grant or deny us access to each individual permission. For more information regarding Facebook permissions, refer to the [Facebook Permissions Reference](#) page.

Data from Social Networks

User information from social networking sites, such as Apple's Game Center, Facebook, Google+, Instagram, Pinterest, Twitter, including your name, your social network username, location, gender, birth date, email address, profile picture, and public data for contacts, if you connect your account to such social networks. This information may also include the contact information of anyone you invite to use and/or join the Application.

Geo-Location Information

We may request access or permission to and track location-based information from your mobile device, while you are using the Application, to provide location-based services. If you wish to change our access or permissions, you may do so in your device's settings.

Mobile Device Access

We may request access or permission to certain features from your mobile device, including your mobile device's camera. If you wish to change our access or permissions, you may do so in your device's settings.

Mobile Device Data

Device information such as your mobile device ID number, model, and manufacturer, version of your operating system, phone number, country, location, and any other data you choose to provide.

Push Notifications

We may request to send you push notifications regarding your account or the Application. If you wish to opt-out from receiving these types of communications, you may turn them off in your device's settings.

USE OF YOUR INFORMATION

Having accurate information about you permits us to provide you with a smooth, efficient, and customized experience. Specifically, we may use information collected about you via the Application to:

1. Create and manage your account.
2. Email you regarding your account.
3. Generate a personal profile about you to make future visits to the Application more personalized.
4. Monitor and analyze usage and trends to improve your experience with the Application.
5. Perform other business activities as necessary to fulfill actions/requests you

take in the app.

6. Prevent fraudulent transactions, monitor against theft, and protect against criminal activity.
7. Troubleshoot problems or perform maintenance on app or web/data servers.

If we ask and receive permission from you to do so:

8. Notify you of updates to the Application.
9. Request feedback and contact you about your use of the Application.
10. Offer new products, services, mobile applications, and/or recommendations to you.

Any such communication will include a prominent way to opt-out of future communications.

DISCLOSURE OF YOUR INFORMATION

We may share information we have collected about you in certain situations. Your information may be disclosed as follows:

By Law or to Protect Rights

If we believe the release of information about you is necessary to respond to legal process, to investigate or remedy potential violations of our policies, or to protect the rights, property, and safety of others, we may share your information as permitted or required by any applicable law, rule, or regulation. This includes exchanging information with other entities for fraud protection and credit risk reduction.

Third-Party Service Providers

We may share your information with third parties that perform services for us or on our behalf, including payment processing, data analysis, email delivery, hosting services, customer service, and marketing assistance.

Marketing Communications

With your consent, or with an opportunity for you to withdraw consent, we may share your information with third parties for marketing purposes, as permitted by law.

Interactions with Other Users

If you interact with other users of the Application, those users may see your name, profile photo, and descriptions of your activity, including sending invitations to other users, chatting with other users, liking posts, following blogs.

Online Postings

When you post comments, contributions or other content to the Applications, your posts may be viewed by all users and may be publicly distributed outside the Application in perpetuity

Third-Party Advertisers

We may use third-party advertising companies to serve ads when you visit the Application. These companies may use information about your visits to the Application and other websites that are contained in web cookies in order to provide advertisements about goods and services that may be of interest to you.

Affiliates

We may share your information with our affiliates, in which case we will require those affiliates to honor this Privacy Policy. Affiliates include our parent company and any subsidiaries, joint venture partners or other companies that we control or that are under common control with us.

Business Partners and Other Third Parties.

With your consent, or with an opportunity for you to withdraw consent, we may share your information with third parties to offer you certain products, services or promotions.

Social Media Contacts

If you connect to the Application through a social network, your contacts on the social network will see your name, profile photo, and descriptions of your activity.

Other Third Parties

We may share aggregated information (not personally identifiable as relating to you) with other parties for the purpose of conducting business analysis.

Sale or Bankruptcy

If we reorganize or sell all or a portion of our assets, undergo a merger, or are acquired by another entity, we may transfer your information to the successor entity. If we go out of business or enter bankruptcy, your information would be an asset transferred or acquired by a third party. You acknowledge that such transfers may occur and that the transferee may decline to honor commitments we made in this Privacy Policy.

We are not responsible for the actions of third parties with whom you share personal or sensitive data, and we have no authority to manage or control third-party solicitations. If you no longer wish to receive correspondence, emails or other communications from third parties, you are responsible for contacting the third party directly.

TRACKING TECHNOLOGIES

Cookies and Web Beacons

We may use cookies, web beacons, tracking pixels, and other tracking technologies on the Application to help customize the Application and improve your experience. When you access the Application, your personal information is not collected through the use of tracking technology. Most browsers are set to accept cookies by default. You can remove or reject cookies, but be aware that such action could affect the availability and functionality of the Application. You may not decline web beacons. However, they can be rendered ineffective by declining all cookies or by modifying your web browser's settings to notify you each time a cookie is tendered, permitting you to accept or decline cookies on an individual basis.

Internet-Based Advertising

Additionally, we may use third-party software to serve ads on the Application, implement email marketing campaigns, and manage other interactive marketing initiatives. This third-party software may use cookies or similar tracking technology to help manage and optimize

your online experience with us. For more information about opting-out of interest-based ads, visit the [Network Advertising Initiative Opt-Out Tool](#) or [Digital Advertising Alliance Opt-Out Tool](#).

Website Analytics

We may also partner with selected third-party vendors, such as Google Analytics, to allow tracking technologies and remarketing services on the Application through the use of first party cookies and third-party cookies, to, among other things, analyze and track users' use of the Application, determine the popularity of certain content, and better understand online activity. By accessing the Application, you consent to the collection and use of your information by these third-party vendors. You are encouraged to review their privacy policy and contact them directly for responses to your questions. We do not transfer personal information to these third-party vendors. However, if you do not want any information to be collected and used by tracking technologies, you can install and/or update your settings for one of the following:

[Google Analytics Opt-Out Plugin](#)

You should be aware that getting a new computer, installing a new browser, upgrading an existing browser, or erasing or otherwise altering your browser's cookies files may also clear certain opt-out cookies, plug-ins, or settings.

THIRD-PARTY WEBSITES

The Application may contain links to third-party websites and applications of interest, including advertisements and external services, that are not affiliated with us. Once you have used these links to leave the Application, any information you provide to these third parties is not covered by this Privacy Policy, and we cannot guarantee the safety and privacy of your information. Before visiting and providing any information to any third-party websites, you should inform yourself of the privacy policies and practices (if any) of the third party responsible for that website, and should take those steps necessary to, in your discretion, protect the privacy of your information. We are not responsible for the content or privacy and security practices and policies of any third parties, including other sites, services or applications that may be linked to or from the Application.

SECURITY OF YOUR INFORMATION

We use administrative, technical, and physical security measures to help protect your personal information. While we have taken reasonable steps to secure the personal information you provide to us, please be aware that despite our efforts, no security measures are perfect or impenetrable, and no method of data transmission can be guaranteed against any interception or other type of misuse. Any information disclosed online is vulnerable to interception and misuse by unauthorized parties. Therefore, we cannot guarantee complete security if you provide personal information.

POLICY FOR CHILDREN

We do not knowingly solicit information from or market to children under the age of 13. If you become aware of any data we have collected from children under age 13, please contact us using the contact information provided below.

CONTROLS FOR DO-NOT-TRACK FEATURES

Most web browsers and some mobile operating systems [and our mobile applications] include a Do-Not-Track (“DNT”) feature or setting you can activate to signal your privacy preference not to have data about your online browsing activities monitored and collected. No uniform technology standard for recognizing and implementing DNT signals has been finalized. As such, we do not currently respond to DNT browser signals or any other mechanism that automatically communicates your choice not to be tracked online. If a standard for online tracking is adopted that we must follow in the future, we will inform you about that practice in a revised version of this Privacy Policy.
